C O N S E R V I N G C A N O N B U R Y

3rd December 2020

Dear Member,

## Low Traffic Neighbourhood – Canonbury West

The Canonbury Society would like to inform Islington Council by late February next year whether its members are content with the new traffic restrictions or wish to press for modifications (such as exemptions for residents or Blue Badge holders). The Council is unlikely to agree to any changes unless we have strong arguments backed by evidence. Completely removing the restrictions will not be an option until the formal consultation ends in November 2021.

We would be grateful therefore, if you could complete our online survey. Let us know if you would like to complete a hard copy of the questionnaire to be delivered or posted to James Coates at 10 Alwyne Road, N1 2HH.

The deadline for submission is 22nd December. We hope to repeat the survey in January or early February in case circumstances have changed by then.

Kind regards

Philip Walker  
Chairman
